Pepsi USBC Youth Championships
Date: August 2011
Subject: 2011-12 Pepsi USBC Youth Championships

Thanks for your help in providing the first step of the 2011-12 Pepsi USBC Youth Championships. The tournament is sponsored by the Pepsi Company, presented by Brunswick and conducted by the United States Bowling Congress. This event is an opportunity for your area's athletes to become involved in a premier nationwide tournament for youth bowlers.

To date, these Youth Championships have awarded more than \$6 million in scholarships through the Scholarship Funds Program. It is estimated that at least \$500,000 in scholarships will be awarded this season through the competition. By conducting the league level competition you are giving your bowlers an opportunity to help finance their college education.

The Pepsi USBC Youth Championships begins at the league level. The tournament is open to *all* USBC Youth bowlers, Basic and Standard, **(there is no upper age limit of 20 to participate in the qualifying levels)**. USBC Youth membership brings many unique opportunities for athletes:

- √ Compete with other youth in a nationwide tournament.
- √ Compete with no extra cost at the league level of competition.
- √ Compete with other youth of the same age and ability for scholarships.
- √ Win a berth to the 2012 North Pointe Junior Gold Championships, July 14-20, in Indianapolis if they are the 12-and-above Scratch Division winner or runner-up at the state/zone finals and meet the membership requirement for the USBC Junior Gold Program. There they will compete for additional scholarships available to all athletes at the North Pointe Junior Gold Championships.

Please remember: An athlete is not required to belong to the USBC Junior Gold Program to bowl in the Scratch Division.

If an athlete does win the Scratch Division and he/she is not a Junior Gold Program member, he/she **must** purchase membership prior to the 2012 North Pointe Junior Gold Championships to advance. If he/she is unwilling to purchase membership, the athlete keeps any awards given from the state/zone but will not be allowed to advance to the North Pointe Junior Gold Championships and an alternate will be chosen.

League qualifying MUST be conducted for USBC Youth members! This handbook contains the information you will need to conduct the league level competition. The "2011-12 League Level Rules" must be followed and supplied to each athlete. The rules can be stapled to the league worksheet and passed through the league so this process can be done quickly and inexpensively.

USBC and your state/zone Pepsi USBC Youth Championships Tournament Committee thank you for your support, dedication and cooperation. If you have any questions, please refer to the listing of state/zone tournament directors contained in this league handbook, or contact me at the address below or by phone at (800) 514-BOWL, ext. 3171 or email USBCyouthchampionships@bowl.com.

2011-12 LEAGUE LEVEL RULES

(ATHLETES MUST SEE THESE RULES AND CHOOSE THEIR OWN DIVISION)

1. The Pepsi USBC Youth Championships is certified by the United States Bowling Congress (# 04498) and governed by USBC rules.
2. Competition is open to all 2011-12 USBC Youth members. To compete, a bowler must be a regular member of a certified USBC league and not be under suspension at the time of qualifying. League substitutes are allowed to participate if it is their only USBC Youth league. USBC Collegiate members are eligible if they are 2011-12 USBC Youth members, bowl in a USBC Youth league and have not violated USBC Rule 400.
3. All USBC Youth members in good standing are eligible for the league level competition. There is no entry fee at the league level. Bowling centers having 2011-12 USBC certified leagues are automatic league level qualifying sites.
4. **Participants must be aware of each competition level in the state/zone and all associated rules, fees and deadlines. These items are contained in the specific state/zone rules from the State/Zone Pepsi tournament director. (State director information can be found on BOWL.com.)**
5. Competition will be conducted in six divisions based on the participant's age as of Aug. 1, 2011. Participation in the wrong age division will lead to automatic disqualification. Bowlers must stay in the given division in that particular league throughout the entire window:

⇒ 11 and under Boys Handicap
⇒ 12 and above Boys Handicap
⇒ 12 and above Boys Scratch

⇒ 11 and under Girls Handicap
⇒ 12 and above Girls Handicap
⇒ 12 and above Girls Scratch

* HANDICAP DIVISIONS
BASED ON 100 % of 210 *

- *There is no requirement of USBC Junior Gold membership and no minimum average to enter the Scratch Division!**
6. The qualifying window average will be the current league average as of the first date of competition (no minimum number of games). Participants in the 12 and above age divisions must choose either the handicap or scratch division before qualifying. **These athletes must be asked personally about their choice of division.** He or she must remain in that division for the duration of that window. Bowlers are eligible to compete in a different division in a different league during the league level of competition. *****Bowlers in the 12 and above age division who have an entering average of 211 or higher MUST compete in the Scratch division.*****
 7. Qualifying in the handicap divisions will be based on 100 percent of the difference between the bowler's average and 210. This will not affect the league's regular handicap system used to figure team and individual standings in that league. USBC earned awards are based on the member's league average as of that day.
 8. League level qualifying will be conducted in certified leagues during the qualifying window(s) between Oct. 1, 2011 and Feb. 29, 2012. Each state/zone Pepsi tournament committee decides the qualifying window dates. Consult state/zone rules for the specific dates. **If needed, the state/zone Pepsi tournament director can grant changes in the qualifying dates to individual bowling centers.**
 9. Qualifying scores must be bowled during regularly scheduled league play. **Pre-bowled or post-bowled scores may not be used as scores for advancement purposes.** Advancement to the next competition level will be from the league level.
 10. Participants can attempt to qualify in any state/zone where they hold a 2011-12 USBC Youth membership card. However, the bowler can only advance once using the following criteria:
 - A. In the event a bowler qualifies in more than one league in the same division, the bowler must advance from the league in which the highest series was bowled. For identical qualifying scores, the member will advance from the league where the first score was bowled.

- B. If a bowler qualifies in different leagues from both the scratch and handicap divisions, the bowler must select one division they will compete in before subsequent competition.
- C. If the bowler advances out of league level in more than one state/zone, the bowler **must** declare one state/zone to continue competing in before the next competition level.
- D. Participation in any level of competition past the league level in more than one state/zone and/or more than one division will result in automatic disqualification.

Note: Advancers remain in the division they qualified in during the league level in all subsequent competition. If there is a tie for the last-place qualifier in a division, both will advance to the next level of competition.

STATE/ZONE LEVEL

- 11. The top two (2) bowlers in the 12-and-above Boys and Girls Scratch divisions at the state/zone competition with the highest scratch score plus applicable bonus pins will earn a berth to the North Pointe Junior Gold Championships to be held July 14-20, 2012 in Indianapolis. Bowlers are not required to have a minimum average or be a Junior Gold Program member to enter the Scratch Division at the local level of qualifying for the Pepsi USBC Youth Championships. However, to receive the berth, the bowler must be a USBC Youth Standard member and USBC Junior Gold Member prior to the North Pointe Junior Gold Championships. **If the winner is not eligible for the championships, he/she will still retain all awards from the state/zone, but the next eligible bowler will receive the berth to the North Pointe Junior Gold Championships.**
- 12. Advancers to the North Pointe Junior Gold Championships must agree to bowl in the North Pointe Junior Gold Championships or, failing to do so, agree to waive all rights. Replacements will be selected based on the order of finish in their division at the state/zone level.
- 13. Failure to abide by any rules and regulations will lead to disqualification from this event. The Pepsi USBC Youth Championships National Tournament Committee reserves the right to accept or reject any participant.
- 14. The Pepsi USBC Youth Championships National Tournament Committee will decide all matters not covered by these rules and regulations, or USBC rules and regulations. All decisions are final.

**ALL BOWLERS MUST SEE AND
UNDERSTAND THESE RULES**

GUIDELINES FOR LEAGUE OFFICIALS/PROGRAM DIRECTORS

You will receive a mailing from your state/zone Pepsi USBC Youth Championships tournament director that contains the league level qualifying dates, rules, advancement levels and formats for each competition level. USBC has verified and approved these rules, dates and formats. Entrants advancing to the next level need to know about any required fees and deadlines.

The following are general guidelines to help you conduct the league level competition. The packet and information from your state/zone Pepsi tournament director will have specific information. **This event is provided for all USBC Youth members -- do not disappoint your bowlers. USBC Youth members deserve your assistance!**

It is **not** mandatory to use the provided league worksheets. It is acceptable to produce the required information on your computer through a league secretary program. CDE Software and Treasure Software produce league secretary software that contains the Pepsi USBC Youth Championships forms. Please enter all information accurately. If you want to purchase software, please contact the company directly: CDE Software at (206) 937-8927 (cdesoftware.com), or Treasure Software at (800) 552-2695 (treasuresoftware.com). **Each athlete is required to read the league level rules and agree to the division in which they have been placed for this tournament.**

COMPETITION SET-UP

- 1. By Oct. 1, 2011 you should receive the information from your state/zone Pepsi tournament director. If you have not received the information, contact the Pepsi tournament director for your state/zone. See the listing of Pepsi tournament directors included in this handbook or on BOWL.com.
- 2. Locate your qualifying window dates in the information sent by the state/zone Pepsi tournament director. **If the dates conflict with other league or center obligations, please notify your state/zone Pepsi tournament director. He or she has the authority to change these dates for you.**

STEP-BY-STEP PLAN FOR ALL QUALIFYING WINDOWS

- 1. The week before the league level competition begins, inform the bowlers and parents that the league will be participating in the Pepsi USBC Youth Championships.
⇒ **Make copies of the League Level Rules included in this handbook and pass them out to the bowlers and parents. All athletes must read and be aware of these rules.** ⇐
- 2. Locate the league worksheet in this handbook. Make a worksheet for each division. "Division" corresponds to the tournament's six divisions (age as of Aug. 1, 2011): 11-and-under Boys Handicap and Girls Handicap; 12-and-above Boys Handicap, Girls Handicap, Boys Scratch and Girls Scratch.
- 3. Before the window begins, ask each league member to choose the division he or she wishes to bowl in and enter their name on the corresponding worksheet. **Divisions are based on bowler's age as of Aug. 1, 2011.** Make sure you check the ages to be sure the bowlers are participating in the correct divisions. Bowlers can participate in a different division for each league in which they are members, regardless of center. However, the bowler must remain in that division for that league during the entire window. *****B bowlers in the 12 and above age division who have an entering average of 211 or higher MUST compete in the Scratch division.*** (Bowlers are not required to be USBC Junior Gold program members to enter the scratch division.)**
- 4. Enter each bowler's current league average as of the qualifying window's first date (no minimum number of games). The average will hold for the entire league level qualifying window. During this window, USBC earned awards are based on the league average not the tournament average.

- ❑ 5. After the first league session, enter the scratch series for each participant in the “first week” row of the league worksheet. Enter the applicable handicap from the provided handicap charts (100 percent of 210). Add the scratch series and handicap to get the total score. **If a member is not physically present this week, list his or her score as absent/"0." Pre-bowled and post-bowled scores are not allowed.**

NOTE: *If your state/zone Pepsi tournament director selected a one-week qualifying window skip to Step #8.*

- ❑ 6. During the second week, remind league members they are competing in the Pepsi USBC Youth Championships qualifying competition. This week is a second chance to bowl in a qualifying series. Include the same number of participants as in the first week. After the league session, enter the scratch series and applicable handicap again on the League Worksheet. **Reminder: If a member is not physically present this week, list his or her score as absent/"0." Pre-bowled and post-bowled scores are not allowed.**
- ❑ 7. Determine each participant’s highest series with handicap where applicable and circle that score. **Do not add the first-week and second-week scores together. Each week is a separate opportunity for the bowler to post a score.** The bowler’s highest series with handicap (where applicable) is the score used for qualifying. A participant does not need to be present both weeks to qualify.
- ❑ 8. Using the scores you have just circled, rank the bowlers by best qualifying score. Using the advancement Ratio set by your state/zone Pepsi tournament director, determine the bowler(s) who advance in that division in that league. After determining who has qualified, notify the winners. (Please inform the participants who qualified bowling only two games that they will bowl at least three games at the next competition level.) It is the winner’s choice to advance to the next level and pay all applicable fees.
- ❑ 9. On the league worksheet, show the bowlers who have qualified and accepted or declined to advance to the next competition level. **Remember, each division per league must advance at least one person regardless of the ratio and the number of bowlers participating in that division.**
- ❑ 10. Since bowlers were given several qualifying opportunities, some may have advanced in more than one division and/or more than once in the same division. **A participant can only advance once into the next competition level regardless of the ways he or she qualified. A bowler is automatically disqualified if he or she attempts to advance more than once.** If a participant should win in multiple qualifiers, the following guidelines will decide from where the bowler advances:
 1. If qualified in more than one state/zone, choose one state/zone.
 2. If qualified in more than one division, choose one division.
 3. If qualified in the same division during both windows, he or she advances from the first window.
 4. If a bowler qualified in more than one league in the same division during a window, he or she must advance from the league in which the highest series – with handicap, if applicable – was bowled.

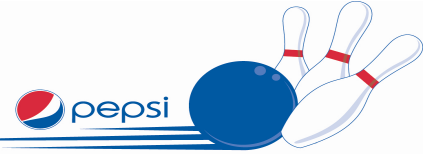

Remember, some of your bowlers might bowl in different bowling centers. Check to make sure they are only advancing from one center. **In all cases, once a bowler has made the choice to advance from a certain state/zone and division, he or she forfeits advancing in other states/zones, centers and divisions.**

- ❑ 11. Once you have figured out how many bowlers will advance per league and who they are, enter the information on the bottom of the league level worksheet. Complete one form per division per league.
- ❑ 12. After completing your league worksheet, make copies for your files and send the originals to your state/zone Pepsi tournament director. Your state/zone rules will state the deadline for these forms and if any other information, forms or fees need to be sent.

THANK YOU!
